

FEDERAL PRACTITIONER™

A PEER-REVIEWED JOURNAL FOR HEALTH CARE PROFESSIONALS OF THE VA, DoD, AND PHS

THE AUTHORITY ON FEDERAL HEALTH CARE FOR THOSE WHO SERVE THE NATION

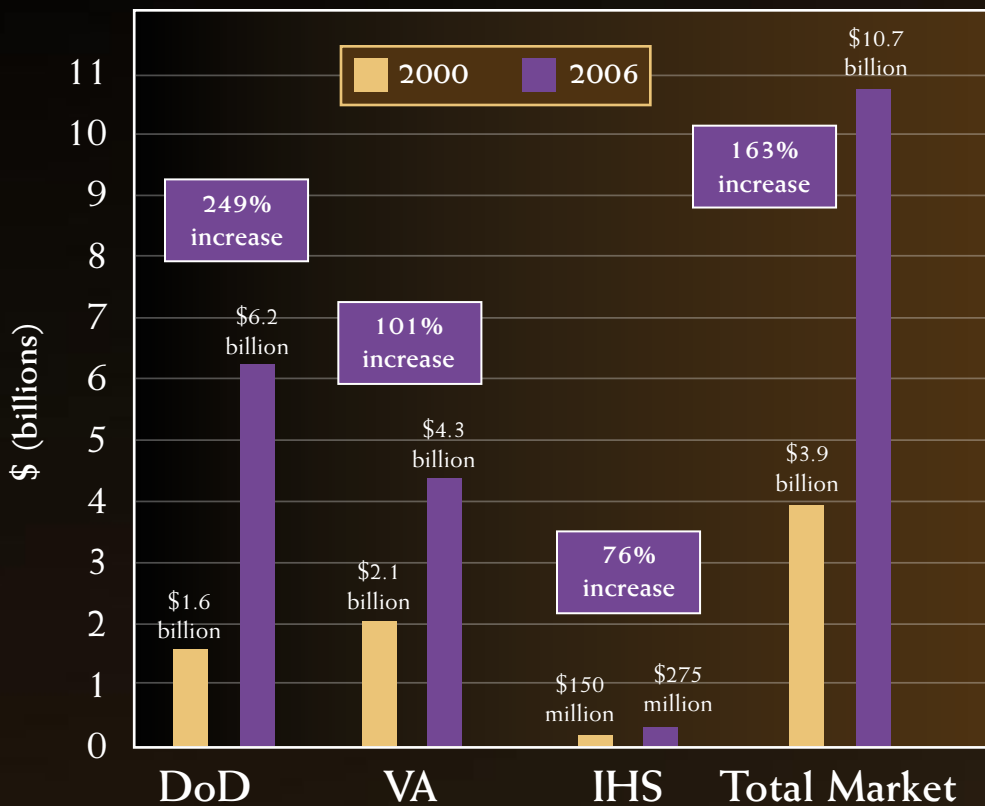

The federal market represents one of the largest buying influences in the health care market today. It encompasses 278 hospitals, 1,883 ambulatory facilities, 135 nursing homes, and treats over 15.5 million patients annually.

HEALTHCARE USER POPULATION

DoD - Department of Defense VA - Department of Veterans Affairs IHS - Indian Health Service

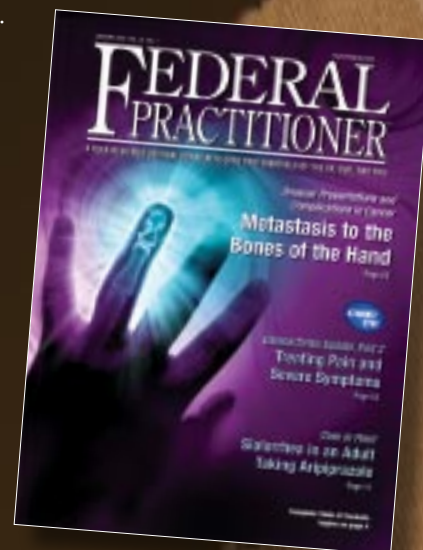

CHANGE IN PHARMACEUTICAL EXPENDITURES

DoD - Department of Defense VA - Department of Veterans Affairs IHS - Indian Health Service

A DYNAMIC JOURNAL REACHING A COMMANDING AUDIENCE

- **Comprehensive** – Original in-depth articles ranging from research to clinical reviews to profiles of new programs and procedures.
- **Authoritative** – Written by clinicians practicing in the VA, DoD, IHS and on the front lines.
- **Peer-Reviewed** – All manuscripts undergo blind peer review by federal thought leaders to ensure relevance, clarity, and accuracy.
- **Educational** – CME/CE activities published monthly.
- **Practical** – The 13th issue, the annual Directory of VA and DoD Health Care Facilities, includes an overview of each facility, photographs, key leadership staff, health care and pharmaceutical expenditures, and number of beds.
